Principal's Comment:

We had a 96% attendance at last weeks parent interviews. If you missed out, contact the school to arrange a time. Well done to Room 2 with 100% attendance.

Our school is a busy place and not just during class hours. After school, teachers have been involved in the Reading Together Workshops, writing meetings, Enviroschools and many more. Our goal is to provide a balanced programme for all our students. One key aspect is our playground model of 'Stop, Talk, Walk'. Stop the behaviour, talk it through, and walk away with a positive resolution. We encourage our students to work things out and not run to the teacher, and definitely not tell on each other! - solving problems and turning them into opportunities.

Linda Larsen, Principal
