Principal's Comment:

Welcome to Term 2. Our schoolwide theme is "Trash to Treasure". We will be investigating different types of fabrics and their properties. We are finishing off the topic with a fashion showcase of the children's creations. Please collect scraps of fabric, wool, twine, plastic and anything that can be reused to create masterpieces.

The Westpac Chopper is the second organisation we support and fundraise for as a school. The children realize the value and importance of this service especially when you live in more remote areas. It is a fun day of crazy hair creations and of course a sausage sizzle that is run by the team from Westpac Matamata.
