Principal's Comment:

It is always sad to say goodbye at farm change over time. We wish the Dykzeul family all the best at Waitoa. With goodbyes come hellos and a warm welcome to the Lawson family joining us tomorrow.

I have come back from the Rural Principals' conference inspired and full of new ideas. Modern learning environments are out and innovative learning spaces are in. This is one of the discussion topics for our consultation evening next week. How can we utilise the spaces we have to accommodate a variety of learning and activities? I will post the discussion online so if you can't make the evening feel free to add your thoughts.

Linda Larsen, Principal
