The Te Poi Church is organizing Kevin Hannah from Hamilton to come to Te Poi and tune the church piano. It would be convenient if he had more than the one piano to tune in this area. Are you needing your piano tuned? Phone Kevin on 07 855 6777 or contact Anne Hopkins 027 472 7850 for more details.

Principal's Comment:

Did you know we have a school Facebook group? Search Te Poi School and request to join. It's a closed group so a safe environment to ask questions and post photos of school happenings. Also each class has their own blog. The link is on our school website menu bar "Our Blogs".

July 1st saw the vulnerable children's act come into force. It means a safer environment for our children. Please do not be offended when we ask for a police check, references or referrals as this is now standard policy for anyone working with children and going on camps. All our staff and van drivers have been checked to ensure our school is a wonderfully safe place to be.
