We encourage family appointments and pre-schoolers are welcome. **Remember the night time brush is the most important. Principal's Comment:

Fundraising is the lifeblood of our school. Without it there would be no money for IT upgrades, extra teacher aide support and new equipment. We try and keep it to one major activity a term, as we know how busy your lives get. Last year we trialled a garage sale and made \$2000. It was far less hassle than organizing a week's roster for the town Op Shop. If you can help out on Saturday morning please let us know. We have a variety of jobs, from security to running the BBQ and cake stall. Every little bit helps.

Welcome to our newest enrolment, who commented she wasn't going to meet the principal – it was the princagirl!
