Principal's Comment:

Te Rangatahi – Together We Grow – was never more evident than at last week's garage sale. The Friday team of parents setting up were efficient, organised and enjoying themselves. It was such a nice feeling NOT to be needed and just check in on the team. The same for Saturday morning – 2 excellent and efficient teams were in action - the early crew making the sales and the late crew packing everything up. Again, all I had to do was meet and greet then shift furniture back into Room 1. It was an excellent display of a school community working together for our learners.

Next it's the children's turn to entertain you. See you all at the Showcase on Wednesday 16th September.
