

Te Poi School

A small school where big things happen.

Please note there are no Wednesday lunch orders this week and also no lunch orders on Friday due to Ag Day.

AG DAY - FRIDAY:

Attached is a programme for the day, which outlines rough times for each activity. Please note that these times are approximate only as judging times can vary. There will be food for sale and also a coffee cart to keep the parents going!

MATH'S EVENING

THURSDAY 22ND OCTOBER:

Light refreshments at 5.30,
Math's Discovery session 6-7pm.
Childcare available in the library.

A reminder that the morning bell goes at 8.55am. Please ensure your child is at school by this time to avoid disturbance to the class.

Have YOU returned your child's 2016 Matamata Intermediate Enrolment forms?

Principal's Comment:

We made it to the end of the term! Thank you to everyone who supported us through last week's craziness. Seeing the whole school on stage performing made the chaos worthwhile. The children's artwork was safely delivered to the Wallace Gallery on Friday. The school's exhibition starts on Thursday and runs through the holidays. Make a day of it and do the "cow" walk in Morrinsville. Early next term on 22nd October, we are running a Math's Evening. It will be an opportunity for you to try out different ways of solving math's problems and discover why and how we teach maths, the importance of learning the basic facts and how you can best support your child at home. I look forward to seeing you on Friday at our Ag Day and especially those Dad's cakes! Have a safe and fun holidays.

Linda Larsen, Principal
