AG DAY:

What a great day our Ag Day turned out to be. Many thanks to all the children entering their animals, supportive families and helpers who helped make the day such a success.

Thanks to our Ag Day Sponsor:
DAIRYCARE

Cow & Calf Formula - the money maker.
Call Robyn Vickers 022 658 0245
Email: robyn@dairecare.co.nz
Firm believers in calf day events.

MATAMATA ARTS SOCIETY EXHIBITION: MEMORIAL HALL 10AM - 4PM

Saturday 17TH and Sunday 18TH
October. Check out the Te
Poi School display.

MATH'S EVENING FOR PARENTS

THURSDAY 22ND OCTOBER:

An opportunity for you to experience a math's session and discover how maths is taught. Light refreshments at 5.30, Math's Discovery session from 6-7pm. Childcare available in the library.

HOCKEY UNIFORMS:

Could we have all hockey t-shirts and socks returned to the school office please.

TEACHER ONLY DAY: Friday 23rd October

A reminder that staff will be busy all day learning new ideas and planning for 2016.

PGG WRIGHTSON FUNDRAISER CASH FOR COMMUNITIES:

Purchase Balance Agri-nutrients fertilizer on your PGG Wrightson account between 1st September and 30th November, mention us and donate to Te Poi School. Thanks for your support!

SUMMER SENSE:

Our school is already enforcing our sunsmart policy of wearing sun hats when outside. Please also ensure that your child is wearing appropriate cover-up t-shirts, not singlet tops to school.

TE POI SCHOOL CONTACT DETAILS:

Our school office is open 8.30 - 1pm Monday, Tuesday, Thursday and Friday. Outside these hours feel free to phone 888 2704 and leave a message, or email office@tepoi.school.nz or principal@tepoi.school.nz

Principal's Comment:

Haere Mai, welcome to term 4 and an especially warm welcome to Miss Clark. It's great to have you back. Accompanying the newsletter is our term of activities. Please display this in a prominent place as there is always something happening at Te Poi. The first 2 events are next week – our parent education evening followed by a teacher only day. We have purposely attached the TOD to a long weekend so you have the opportunity to have a longer break with your family. The parent evening is to showcase the what, why and how of teaching mathematics. You will have the opportunity to be the students and get an idea of the skills and strategies required for effective mathematics understanding.

Linda Larsen, Principal

"FISH IS BRAIN FOOD"

True! Fish is full of essential fatty acids called omega 3. Omega 3 helps the brain to send messages around the body. The stronger your brain is at sending messages the better your body will work! So make sure you eat 1 or 2 serves of fish a week to boost your brain power!
