Principal's Comment:

A warm welcome to Charlotte and Symphony-Rose who are joining their sister and brother at Te Poi School.

As we continue to grow it is important to remember our core values, how to be an effective thinker, an on to it learner and a caring citizen. Our goal is to empower our students with the necessary skills and strategies to continue to be learners and citizens for the future. To do that all children need to develop the skills of problem solving and to have empathy for others. Being collaborative and having creativity are also tools needed in each child's kete. Together let's continue to foster and grow our children.

Linda Larsen, Principal
