Principal's Comment:

Welcome to Sebastian and Ryan – we have reached 70 students.

Due to our continued growth we are seeking an extra teacher to work 4 mornings a week. We will be converting the junior cloak bay into a new learning space ready to start term 2. The new teacher will work collaboratively with both Miss Clark and Mrs Stone and teach groups of students reading, writing and mathematics. Very shortly we will be requiring anyone with carpentry and building skills to help with the conversion.

If you are able to help us out, some time after Easter, please get in contact. It is definitely exciting times at Te Poi School.
