## Principal's Comment:

It only takes a day for the weather to remind us that winter is on its way. As we head into wet and cold days it is important to dress appropriately. Sweatshirts, long pants and maybe a pair of slippers to wear indoors to keep your child's feet cozy. There is nothing worse than cold feet and if a child is uncomfortable and cold then learning can't happen.

What a fantastic opportunity it was to be able to take the whole school into the Waikato Museum. The da Vinci exhibition was magical and you could see the look of wonder and imaginations starting to bubble in our children. Each class will continue exploring the work and designs of Leonardo da Vinci and linking his ideas to our toy unit.

The exhibition finishes this weekend – a perfect wet weather activity for the whole family.
