Principal's Comment:

93% attendance – well done everyone. 80% of success is attendance and we are getting that!

Tonight I am heading to Auckland for the Trans Tasman Principal's Conference. The theme is knowledge in our hands. I will be fortunate enough to hear a host of top local and international educational experts and discover how my colleagues in NZ and Australia work in their schools. There will also be an opportunity to meet with the Ministry of Education's rural advisor and discuss issues unique to rural schools. So watch this space!
