Every year kind members of our school community offer to rear a calf or calves for our school. These are donated after weaning (100kg) and sold on behalf of the school to raise money for ongoing school projects. Are you able to donate a calf this year? Would you like to know more? If so, please contact Roz on 027 296 0810 or 888 8922. We really appreciate your support.

### HOCKEY:

Our Saturday competition hockey is over for the season. Player of the day for the senior team was Lucille Yeoman and for the juniors Ethan Brogden. Many thanks to parents, grandparents, and friends who turned up to support the children. Both teams showed great fortitude and team spirit.

**Could all hockey shirts and socks be returned as soon as possible please.**

### Principal's Comment:

Thank you to the parents who came out in the cold last night for interviews. Round 2 is tonight, again in Room 1.

Interviews are just one way to find out about how your child is progressing. Please don't wait until these times if you have a question or concern about your child. Teachers are always around before and after school, or are just an email away. If you are unsure about what your child is doing, how they are getting on, if they are making progress - please just ask. We are here to help. We can't effect change if we don't know. Together we can make a difference.
