Principal's Comment:

It is with great delight we can announce that Mrs Stone is pregnant! She will be with us for the rest of this year and on maternity leave for 2017. Just another reason to come along to our info/education night on Thursday. We will be discussing options and planning for 2017. We want your input on how best to set up our classes for next year. The first part of the evening will be understanding this thing called collaborative learning, why it is important and the benefits to your child. We will be looking at the future direction of education, followed by sorting the year levels into possible class groupings for 2017. Come along and have your say.
