Principal's Comment:

Our season of swimming is coming to an end with swimming sports, tryathlon and Interschools over the next 2 weeks. The pool has never looked as good as this season, thanks to Hayley and Grant.

We are continuing to move forward as a school, embracing more digital learning, different methods for teaching mathematics and ensuring our practice is effective for all our students. Change is inevitable but often daunting. A phrase we work by is we are preparing our students for their future not our past! Remember to take time to pop into classrooms to see what learning is happening.

Linda Larsen, Principal
