Principal's Comment:

The community is the lifeblood of every small school. Small schools receive
significantly less funding, and none for the likes of caretakers. Without your
ongoing support around our grounds we would be using valuable money
targeted for learning and resources. Fundraising means we can get the extras
– like our junior deck/learning space, upgrade our playground and maintain
our pool. Our ministry funding does not cover these things.

The Quiz Night is a major generator of funds, so your help goes towards all
these projects. Please support this event by donating food, your time or
entering a team.
