AG DAY:

Group Day is going ahead with just the Lamb and Goat section. We are looking for expressions of interest of children having an animal so we can decide if we have the numbers or not. We are able to source lambs and goats for \$50 and the goats can be returned after 12 weeks. We are looking into options for lambs to be returned.
Please let your teacher know if you would like this as an option.

BULL CALVES:

Phone requests for calf donations will be made in July. If you don't receive a phone call, or know of someone who may be interested in donating a calf, please contact the school.

Principal's Comment:

Welcome back to Term 3 and an especially warm welcome to Rawiri, Damian and their mum Emma, who have joined us this term.

Our Schoolwide topic is food. Each class will be looking into where food comes from, how it is produced, packaged and advertised. If you have any contacts at food-producing factories please let us know, as we are keen to see food production in action.

It is a busy sporting term with Gymnastics Festival, Miniball and the Interschool Cross Country. If you haven't downloaded our app do it today so you don't miss anything.
