Food Glorious Food – our Term 3 topic is ending on a high note with interesting new products being showcased in Room 9. Look out for their advertisements on their blog sites.

Our annual Ag Day is full steam ahead for Friday. Bio security measures will be in place, so please follow all stewards' instructions carefully.

Thank you for another action packed term. Your ongoing support with transport, sports coaching, reading to children and being available means our school can continue to offer a wide range of activities for all our students.

Stay safe over the holiday break and see you all back refreshed and ready to learn for the final term of 2018.
