## **Principal's Comment:**

To ensure the safety of all, from now on students not going home on the bus will be waiting by the gate after school, rather than in the playground. This way we can more effectively monitor behaviour and make it easier for parents to locate their children after school. You are most welcome to take your child into the playground after you have collected them, and supervise them while they play.

Bus children will be allowed to play on the adventure playground and the court area only, also to make them visible and easier to supervise. Please discuss this with your child.
