Principal's Comment:

With the recent tragedies in our local area, and in Christchurch, it is so important that we keep our children safe. At Te Poi we do have a lockdown procedure, which we will be practicing over the next few weeks to ensure staff and students know exactly what to do and how to stay safe.

If your child is feeling effected by the recent events 'Nathan Wallis' has some excellent advice. You can find him on facebook at Nathan Wallis Conscious Intelligence. Great practical advice and guidance.

Our thoughts and prayers go out to Christchurch, their families and the Muslim Community.
