Principal's Comment:

When you read this, I will be on the high-speed train heading to Shijiazhuang China. I am travelling with a group of Waikato Principals to establish cultural links with Hebei Province schools.

The intent is to communicate and progress together. We are intending to share educational resources, cooperate and exchange educational concepts, curriculum and teaching.

The overall aim is to work towards future cultural exchanges involving teachers and students. An exciting opportunity for our school moving forward.
