COMMUNITY NEWS

Principal's Comment:

Thank you to everyone for supporting the school last week while I was away. China was an amazing opportunity. I spoke about our school in front of over 100 people including their Ministry of Education and other government officials.

I got to visit 2 schools to begin a relationship, start communication and learning between the schools and students. We are in the beginning stages. I will be meeting with the other NZ Principals to establish a payment agreement and organizational details. To begin with we will be communicating via email and Skype to learn about each other.
