SCHOOL NEWS

Trillian Mini Trek

This Friday at approximately 1:50pm around 20 vehicles will be visiting our school.

Therefore, there will be NO assembly this week.

CHICKEN PLACEMENT

Ongoing School Fundraiser

The next Chicken Placement is as follows:

Monday 4th November – Placing 1 of the new Sheds at 7:30am

If you are able to spare half an hour, come along and help raise money for our kids by placing chickens.

If you need more info, you can contact Roz 027 296 0810. Cheers

Dunn Cup

Miss V is busy training the football squad for the annual game against Hinuera which is on Friday 8th November at Hinuera School

Ag Day

Many thanks to Angela Roskam for making this day work so well and to the volunteers in the ring and at the barbeque. It was disappointing to have no Dad's baking a cake, but the children excelled with a record number of entries and some very creative cakes that would not have been out of place in an Australasian bake off event.

Thank You

Thanks to all who have put in a lot of effort over the school holidays helping to make our school look amazing. Also, thank you to Jamie for installing the new see-saw.

SCHOOL POLICY:

Term 4 is our Sunsafes term. This means all children are to wear the school hat. These can be purchased at school for \$15. Also please ensure your child wears sun smart clothing – t-shirts; with no shoulders exposed to the sun and shorts.

Principal's Comment:

Nau mai haere mai.

A warm welcome back to school to everyone for term four, our final school term for 2019. Children look well rested and ready for school. The staff have been busy over the holidays planning the programme for term 4 and also working with a facilitator on the digital technology curriculum. The school has also had a major electrical upgrade which was part of our 5-year property plan.

Our Inquiry topic this term is science related regarding properties and changes of matter. (Physical world)

Each class will be undertaking their own angle on this unit. Room 9 will start by looking at scientific methods of investigation revolving around a daily experiment. Room 3 will begin by observing, exploring and describing properties and changes in light, colours and sound. Room 2 will explore every day examples of physical phenomena.

Our movement concepts and motor skills PE focus will be on athletics. We are fortunate to have our energizer Brendan Walpole helping us with skills for throwing and jumping.
