Principal's Comment:

A warm welcome to Wairumana joining Room 9 and Gabriela Yeoman who will start working in Room 2 next term Thursdays and Fridays.

As term 1 comes to a close it is timely to celebrate our successes and achievements. We entered our largest ever team at the Interschool Swim sports and achieved our ever-best results. Science in a van – what a find. Our students are engaged and motivated and all want to be in classrooms. Our senior students have led the way with self-generated learning – organising the pavement art sessions and cooking activities both generated from their reading. We had a fantastic response to our parent interviews, with every booked interview turning up.

Our classrooms are looking beautiful full of students' art and learning. Have you popped in and had a look?

Thank you for your ongoing support this term – it has been a busy one. Have a safe and happy Easter break. See you all back and ready for action next term

Linda Larsen, Principal
