

TE POI SCHOOL LOCKDOWN NEWSLETTER

Tuesday 14th April

Welcome to the first Lockdown Newsletter,

Starting tomorrow there will be regular online video conferencing times for each teacher. You will have the opportunity to interact with your teacher, ask them questions, get support for your home learning and just have time to chat.

We have staggered the times, as we are aware that many families have limited devices. This way you only need one device. The online sessions will be at the same time every day, until we all get back to school.

Tips for Video Conferencing

Wear headphones. Find a quiet, well-lit space.

Have any light in front of you and not shining behind you.

How to Connect

The weblink is the same for each teacher's daily session.
Just click on the link and follow the instructions on the screen.

Also look out in your emails for regular emails from your class teacher. They will be sending you tips, ideas and suggestions to help you with your learning at home. Check your Spam as well, just in case.

You are most welcome to email your class teacher with questions, for advice, or to send them your work. Keep posting those learning photos on Facebook. Room 9 this is the perfect opportunity to put your learning on your personal blogs. Stay safe. Whaea Linda.
