

TE POI SCHOOL LOCKDOWN NEWSLETTER

Thursday 16th April

Welcome to the first week of school from home.

Hopefully you have managed to link into an online teacher session. These are happening daily. You can access the links from the school website: www.tepoi.school.nz

There is only something to see or link to at the scheduled meeting times and the platform is based in America, not in NZ Google. There are many comments swirling in the media at the moment regarding start back dates for schools. As soon as I know, I will let you all know. We are currently waiting for the 20th April announcements from the government. We will know more after that day. Until then do not expect to be back at school this month.

Home Learning TV: Papa Kāinga TV

This website has the daily programming for Home Learning TV as well as different resources, ideas and tips for our students learning at home.

Online Tips

Wear headphones
Mute if it is not your turn to talk
Be prepared – check your email daily for what is needed for the session

Our teachers will keep communicating with you, and the children, via email and the Google Meet sessions. Do check your email daily, and if there is nothing check your SPAM. We have an email address for every family, so this is our fastest means of communication and we know we are reaching everyone. I am also available on Google Meet each day at 2:30pm.
Whaea Linda.
