

# TE POI SCHOOL LOCKDOWN NEWSLETTER

Friday 24<sup>th</sup> April

Thank you for all your support and concern.

What a fantastic community we are a part of.  
The thoughts and concern for our staff moving into Alert Level 3 has been heartwarming.

All the staff have been working behind the scenes this week ensuring our school is clean and ready for one metre distancing. The Library is ready as our staff base and Room 9 as the learning base. Online learning sessions will continue from next Wednesday. New links will be sent to you & posted on Facebook & the school website.

## ANZAC Day – Stand at Dawn

Join NZ and stand at your gate at 6am to honour our soldiers past and present. You can link into the 'Last Post' via many different media.

### Ways to stay connected

Our Facebook Group, Skool Loop App, school website & email. Check them regularly.

### Online Sessions

Starting again on Wednesday 29<sup>th</sup> April, times will change to fit in with class learning.

### Home Learning Packs

New personalised packs will be available on Tuesday 28<sup>th</sup> April from the bus shelter.

Even though we will be at school during Level 3, please keep your distance. We are maintaining strict one metre distancing in the classroom and two metres everywhere else. We want to ensure we have a healthy staff for when everyone returns in May.

Stay safe, be kind and enjoy your time at home, it will end all too soon.

Whaea Linda
