

# TE POI SCHOOL LOCKDOWN NEWSLETTER

Thursday 30<sup>th</sup> April

Alert Level 3 School is up and running.

We are operating one classroom bubble in Room 9. Mrs. Ansell & Whaea Poppy are the classroom teachers, with Shelley & Sarah supporting them. Hayley is beavering away in the office and I am floating here, there and everywhere!

All other staff are working from home and everyone is continuing with the daily online sessions.

## Star Wars Day – Monday May 4th

The challenge is to create a Star Wars outfit from what you have lying around home. Join Whaea Linda at 2:30 to show off your creations.

### Home Learning

**Keep it simple  
Daily reading, maths facts  
and a bit of writing.  
Get out and enjoy the  
weather while it lasts.**

We are all maintaining the one metre distancing and are sanitising our hands every time we enter a building. Students are dropped & collected from the gate with parents staying put in cars. It is a very different school set up, but is working well.

So, my message is wave to us from a distance, but please don't visit, as we have extended our personal bubbles enough!

Stay safe, be kind and enjoy your time at home, it will end all too soon. Whaea Linda
