We're looking for 25,000 people from all over New Zealand to help run the 2020 General Election. Are you interested?

We want staff to reflect New Zealand's diversity, so our customers will see themselves, whānau and friends reflected in the election. It's all about participating, whether by voting, or helping others to enrol and vote.

Do you:

- have a strong connection to your community
- like helping others and providing a great customer experience
- want to be part of a supportive team and learn new skills?

Then this is a great opportunity for you to get involved. You don't need election experience because you'll be trained and supported to do a great job.

There are lots of different jobs available before, during and after election day, ranging from a few months to just one day. There's bound to be a job that will suit your availability and all of the work is paid.

Principal's Comment:

Nau mai haere mai - Welcome to Term 3, may it be a straight forward one. A special welcome back to Zeth who has joined us this term.

We have a particularly exciting term planned. Our focus is on performance arts. The whole school will be participating in poetry performances, with the top 3 from each class performing in a special assembly.

We are also putting together a Dr Seuss Showcase. The dance group has started rehearsals, and each class will create a performance based on a Dr Seuss book. There will be opportunities for singing and music groups to also perform.

Hold on to your hats, it's going to be a busy term.
