## Principal's Comment: Kia Kaha Te Reo Māori

Te wiki o Te Reo Māori. Māori Language week has been around since 1975, that's 45 years celebrating Te Reo.

Why? Because NZ is revitalising the Māori Language and part of that celebration is promoting Te Reo Māori.

Māori Language week is an opportunity for concentrated celebration, promotion and encouragement. Everytime we choose to use Te Reo even just a "Kia ora!" contributes to the revitalisation. NZ is the only country with this rich language, just as Ireland, Greece and Italy embrace their own languages this is our opportunity learn a little more of ours.

So, give it a go and learn something new this week.

# DR SEUSS SHOWCASE

## 2 EVENING PERFORMANCES

We ask that all children be at the Matamata College hall at 6pm on both Wednesday and Thursday nights. There will be a staff member at the door to take your children to their correct seat.

Due to Level 2 restrictions all children must remain in their set seats and are not allowed to go and sit with parents.

### AUDIENCE MEMBERS:

Please ensure you use the QR code as you enter the College hall.

Please ensure your group has safe distancing between other audience groups.

Once the show is over all audience members are to exit first.

The teachers will bring the children out to you.

Again, this is part of the Level 2 restrictions.

By following these guidelines, we are able to run 2 performances of 100.
