Principal's Comment:

Term 1 is drawing to a close and we are finishing the term in style. All classes will be sharing and celebrating their learning. Students will be showing what they have learnt over the term. It is a way to celebrate learning and our students showing their understanding of their learning steps. We would love you to join us next week.

We are now re wording our school vision. Pop onto our Facebook group, or in our foyer to add your input into the wording.
