Principal's Comment:

Nāku rourou nāu te rourou, ka ora ai te iwi

With your food basket and with my food basket, the people will thrive.

With the ever-shifting sands of this COVID pandemic it is so important that home and school work together to ensure the best possible outcomes for all our tamariki.

If you can pop online today or tomorrow to meet your teacher, this is a great opportunity to discover how each classroom is run and find out the teachers' expectations for their students.

The next opportunity is our online parent conferences. Again, a chance to discuss personal expectations and set goals for your child. Being online and only 10 minutes they can happen from the convenience of your kitchen bench, office desk or even on your phone in the cowshed. Bookings open next week via Skool Loop.
