Principal's Comment:

Ēhara tāku toa i te toa takitahi, engari he toa takitini

Our strength is not made from us alone, but made from many.

Our parent conferences are 2 weeks away. The purpose is to gain valuable insight about your child/children, together set goals and develop a plan for their learning and growth. These are designed to be a shared discussion with students at the centre. Please take a moment to book a slot. With no travelling, or child minding required, it is easy to pop online from wherever you are.

A big thank you to the families keeping us informed of their positive cases and all of you who are currently in self isolation. Take care and do reach out if you need anything. We are a team and together can deliver whatever you need. By keeping us informed you are keeping all our tamariki safe and healthy.

We're Stronger Together.
