Principal's Comment:

*He puna wai, he puna kai, he puna reo, he puna ora, ita-a-ita
A spring of water, a bountiful spring, a spring of language, a spring of health – hold fast.*

And we are holding fast – thanks to our community for being 'on to it' with keeping sick children at home, we are remaining a healthy school. The Omicron wave is yet to strike us and long may this last. So, hold fast everyone!

'A spring of language' – all sorts of language is popping up in our playground. Please have a conversation about what language is appropriate, or suitable to use at school. Let's keep it positive and clean.
