Let us keep close together, not far apart*

It was wonderful to see so many of our school whānau join together last week at our annual picnic. Some fierce rivalry was had in the relays and we all discovered a little about each other in the BINGO activity. Our change up of Friday 2:30's is also to encourage whānau to join us in different ways. Assemblies to celebrate our learning and achievements, and Enviro to help keep our school looking beautiful. We also love having parents supporting teachers in classrooms. Reading with children, helping in the library, anything goes. If you have some free time and would like to help out - talk to your child's teacher. There is always things to be done around here.
