## Principal's Comment:

*Citius, Altius, Fortius -  
Commuiter  
Faster, Higher, Stronger -  
Together*

The Olympic motto aligns well with our school vision: Together - we are thinkers, learners and citizens. The Olympic values of Excellence, Respect and Friendship also dove tails nicely with our values. This week we are discovering about the Olympics and are learning how their goal of promoting sport, culture and education with a view to building a better world guides us to work together to build a better school. One where we celebrate all achievements academic, sporting and cultural, and support one another to fail and get back up again.

## School News: Olympic Friday

Join us from 11:15am for 5 adapted Olympic events. These include indoor rowing, artistic swimming (minus the pool) and more. Medal ceremony and country items from 2:30pm.
